Request for salary Review

I hope this message finds you well. I am writing to formally request a review of my current salary. Over the past 3 years , I have thoroughly enjoyed contributing to Tops technologies and have taken on additional responsibilities such as Successfully developing and maintaining backend features using Python Django. Assisting in onboarding and supporting junior team members to accelerate their learning.

Considering my performance, commitment, and the value I have added to the team, I would like to request a salary adjustment to [your expected amount, e.g., ₹45,000 per month / ₹6,00,000 annually / a 20% increase]. I believe this would fairly reflect my contributions and align with current market standards.

I would be grateful if we could schedule a meeting to discuss this further at a time convenient for you.

Thank you for your time and consideration. I look forward to your response.

Sincerely,
Harsh Patel
